

## We have a winner!

**Julie's Bag**

**Julie Miller**

**Contest Entries!**

### **Winner of Our Montana Memories Contest: \$100 Quilt Gallery Gift Certificate!**

We received three creative entries in our Montana Memories Contest.

Suzanne Donnelly chose Indygo Junction pattern Grids and Grommets. Susanne embellished her bag with elinor peace bailey's doll *Angela*, resulting in a very creative work of art.

Margaret Lee chose Bunny Hill Designs pattern Jelly Bags. This bag uses Quilt Gallery Signature Fabrics: Montana Memories and several coordinates. Margaret's bag is a fine example of skilled sewing.

Diva Essential Designer Bag by Thumbuddy-Special was Julie Miller's choice. Julie embellished her bag with embroidery outside and in! Julie found her embroidery designs on the OESD CD, *Swiss Fest*, free from the Quilt Gallery. Not only is the embroidery beautiful, the bag is very well designed and constructed. Look for Julie's bag in kit at the Quilt Gallery soon.

Thank you so much participants!
